- 1 pack of water color paints – 10 classic colors
- 1 fat black dry erase marker
- 1 set of earbuds or headphones (sent in labeled storage container or baggie)
- 1 reusable water bottle (firsties often spill disposable water bottles daily)
- **Shoes your child can put on and take off independently – slip on shoes or shoes with Velcro (ideal for prayer and to reduce the spread of germs)**

Important Notes:

It is essential that students can:

1. put their shoes on without help
2. use their water bottle without help
3. open their pencil boxes on their own

REMEMBER: please label everything with your child's name prior to sending supplies with them. Firsties often do not know which supplies are theirs, and parents get upset when they don't have what was bought for them. Thank you for your support!
